Re: Your Letter Dated December 2, 2005

Reference: Mid-Year Report (1/1/05 - 6/30/05)

Dear Ms. Needles:

In order to acquire the services of Bader & Associates, the company that handles our voter registration program, we were required to make and maintain a deposit of \$30,000.00. Initially, none of this amount was used to pay bounty payments. The first bounty payments were paid by checks from additional funds.

Near the end of March 2005, however, some deposit funds were applied to bounty charges and were properly reported on Schedule H-4. Upon review we did make an error in showing the entire deposit on lines 18 (a) and (c). The balance of \$2,731.00 was transferred in July 2005.

We have amended the Mid-Year Report (1/1/05 - 6/30/05) to reflect these changes.

Also, please be assured that we do keep in mind the necessity to follow the 70-day window for allocated activity transfers.

We hope this explanation fully answers your query.

Very truly yours,

Douglas R. Boyd,
Treasurer, LACLC
